

## Fun Palaces Saturday 5th October 2019

Join our FREE Fun Palace, 1.00-3.00pm.

Led by local people, for local people, sharing their own skills and passions, this is a chance to try out something new, see what skills and hobbies other people have and give them a go! We will have arts & crafts, a Van Gogh Masterclass, planting and gardening with Perennial Harvest, dance, singing and more.....!

### New STEM Learning Workshops— CREST Star & Super Star Awards

*Link to Science, Technology, Engineering, Mathematics, and STEM Clubs*

As a Community Leader for the British Science Association, our Education Officer has developed new workshops to challenge your pupils skills in scientific enquiry. With an excellent STEM Resource Kit to support hands-on workshop investigations, pupils explore everyday problems using science and gain skills in problem solving, decision making, practical science, reflection, discussion and communication. We can even support you to gain 'stars' for CREST Awards.

Activities cover themes such as light, colour, shadow, reflection & refraction; sound & music; magnetism & static electricity; plant structure, function & identification; forces, friction & motion and materials.

### Arts Award, Work Experience and D of E placements

We can deliver and support Arts Award Discover, Explore, Bronze, Silver and Gold. We are able to support D of E and work experience placements, offering a variety of options with our team at Wheal Martyn.

For all enquiries, contact the Education Officer  
[gmartin@wheal-martyn.com](mailto:gmartin@wheal-martyn.com) or call 01726 850362

### Museum Takeover Days *Link to Local History, Careers, Art and Cultural Capital*

Wheal Martyn offer Takeover Days throughout the year. Come and experience behind the scenes at the museum and learn about museum careers and the heritage of Wheal Martyn.

Young people will be given meaningful roles, working alongside staff and volunteers to participate in the real-life workings of the museum. **\* Meet the Curator \* Curate a pop-up exhibition \* Run guided tours for visitors \* Plan a family event \* Design a new product for the shop \* Make a trail for visitors \* Create a museum guide and more....**

Pupils can gain Arts Award Discover through the Museum Takeover Day (additional cost applies).

### Badger Forest School *Outdoor Learning and personal development*

Wheal Martyn are partnered with Badger Forest School, offering a range of activities for school groups, but also for families and Birthday Parties. Come along to our next Family Activity Day on Saturday 26th October from 11am to 1.00pm. Build shelters in the woods, explore the woodland beasts through trails, hunts and crafts, and toast marshmallows on the campfire!
